Dear Bob,

This is just to give you a written record that this morning Bill Noyes, Mike Ringo and I got all the Connecticuts photographed which were on your ~~xxxx~~ list, but there were two varieties we could not find in the trays, namely

33.20-Z.7
33.38-Z.20

The only other bits where we may have slipped ~~xxxx~~ up is where there were ~~xxxx~~ multiple examples, and by some chance we did not photograph the finest one in the tray (I am afraid this happened with 1788 10-C).

With best wishes,

John

Dear Bob,

This is just to inform you that Bill Noyes will be coming here on the next Thursday, September 5th, to make photographs; so if you want to stop by and supervise the photography of Connecticuts, please do so.

All the best,

John
